Dear MHCBE staff and families,

On behalf of the Board of Trustees, I am honored and excited to present the Medicine Hat Catholic Board of Education 2021-2022 Annual Education Results Report (AERR). Our Board encourages you to review this report, which will provide you with a snapshot of all of the work that is done each year for our students. Our commitment to Catholic education will ensure that our students continue to learn in a culture of faith and excellence.

Our Catholic schools continue to demonstrate exceptional outstanding results while also showing improvement in a number of areas. These results are directly related to strong leadership in our schools and the exceptional work of teachers and support staff who, day in and day out, deliver quality instruction, permeated with Gospel values, in an environment led by the Holy Spirit.

From the boardroom, to the classroom, to the custodian's closet and all areas in between we acknowledge the perseverance and dedication of our school communities. It is truly admirable. We acknowledge the commitment of parents to their child's Catholic Education as well. We applaud each and every one of you and the effort you have and continue to put into education and our results reflect this.

...for whatever is born of God conquers the world. And this is the victory that conquers the world, our faith. 1 John 5:4

Our Catholic schools are rooted in biblical values and it is through this lens that we provide Christ centered support to the students and families entrusted to us. We are proud of the hard work of our students who remind us daily why we are part of the vocation of Catholic educators.

In this Advent season we are reminded of the three comings of Christ; the incarnation, when He comes the second time, but also when He comes through the sacraments daily, as we build the kingdom of God, especially the Eucharist. Catholic education is the teaching arm of the church and helps bring that sacramental church alive for our students.

Thank you ALL for supporting Catholic education! You are all where God needs you to be, you have been called by name. Thank you and congratulations. Keep up the great work!

Sincerely,

Kathy Glasgo
