

# Catholic Education Week Activity Inspiration

## MARK 4: GOSPEL WITNESS

- Walk together for Catholic Education
- Students “nominate” someone they know that should be a saint and why
- Record some students telling their stories of a life lived in relationship with Jesus – post on social media
- Invite one of the priests in to share about his vocation story.
- Perform random acts of kindness to be a witness to God in your life.
- Choose a patron saint for your classroom and research what he/she did to be a witness of the faith

**Wear blue to be a witness to the gift of Catholic Education.**
